

POOR PIRATES - LYRICS

Let me begin with a hearty ho-ho

And a tale that nobody tells well

I've not come all the way from In-C-I-N-O

To be treated like sewage that smells

Some of us just want adventures

The open sea wind in our earrings

We are we constantly misunderstood?

Don't ya know pirates have feelings?

Poor pirates, p-o-o-r

Poor pirates, p-o-o-r

Poor pirates

Can't deny this simple truth

That Pirates, p-o-o-are

People too...

Yo ho!

Ha!
